1991	Presentation: “Poliomyelitis, Physicians and the Popular Press in the Pre-Salk Era: The 1937 Toronto Epidemic,” “7th Kingston Conference,” Canadian Science and Technology Historical Association, Ottawa, October 1991
1991	Presentation: “Poliomyelitis, Physicians and the Popular Press in Early 20th-Century Ontario,” Annual Meeting, Canadian Society for the History of Medicine, Kingston, May 1991
1989	Article: “Helpless: The 1951 Ontario Polio Outbreak - The Neil Young Case” <i>The Mirror</i> (University of Western Ontario Student History Journal) 9 (March 1989): 82-109 (pdf of article)

EDUCATION

- 1990-95 **Ph.D.** History, University of Toronto, Toronto, ON
Dissertation: “‘Do Something! Do Anything!’ Poliomyelitis in Canada, 1927-1962”
Supervisor: Michael Bliss, Department of History, University of Toronto
Major Field: Canadian History
Specialization Field: Canadian Medical History
Minor Fields: History of Medicine; 16th Century British History
- 1989-90 **M.A.** History, University of Western Ontario, London, ON
Thesis: “‘A Grim Terror More Menacing, More Sinister Than Death Itself’
Physicians, Poliomyelitis and the Popular Press in Early 20th Century Ontario”
Supervisor: J.T.H. Connor, Department of History of Medicine and Science

1985-89 **Hon. B.A.** History of Science and History, Faculty of Science,
University of Western Ontario, London, ON

1981-84 **Diploma**, Animation (Classical), Sheridan College, Oakville, ON
